SUMMARY

MSc Marketing student at Trinity College Dublin with consulting-style experience developing growth-focused marketing strategies across brand positioning, SEO, organic growth, and digital campaigns for startups and early-stage businesses. Through live industry projects and internships, I've built content systems, audience research frameworks, and conversion-focused campaign strategies while contributing to founder-led brand positioning and measurable audience growth.

CONSULTING & MARKETING PROJECTS

Examinaite - Growth & Digital Strategy Consultancy Project

02/2026 – 04/2026

Dublin, Ireland

- Built a growth-focused social media and LinkedIn strategy for an AI-based education startup, targeting student acquisition through organic and community-led channels
- Designed a student ambassador programme to drive organic growth, combining community engagement with structured content systems and campaign planning
- Led SEO planning and founder-led brand positioning to build long-term brand visibility and conversion-focused marketing infrastructure

Mar Knitwear - Brand Positioning & Content Strategy Project

02/2026 – 04/2026

Dublin, Ireland

- Designed a full social media campaign strategy and content calendar for an independent Irish fashion brand, aligned with their brand positioning and community engagement goals
- Built audience-focused content pillars and campaign concepts grounded in customer persona analysis and brand storytelling
- Conducted brand audits and founder-led strategy sessions to deliver organic growth and digital visibility recommendations

Bonkers.ie - Integrated Advertising Strategy Project

02/2026 – 04/2026

Dublin, Ireland

- Developed a digital-first advertising campaign strategy for Bonkers.ie, focused on customer acquisition and building brand trust among price-conscious consumers
- Led audience segmentation, campaign positioning, and behaviour-driven messaging across paid social, search, OOH, and influencer channels
